

IT Knowledge Assessment Report

Candidate: Katarzyna Wieczorek

Test: Microsoft SCCM

Date: 13/06/2025

Score: 18/20 (90%)

Katarzyna scored 90% on a 20-question SCCM knowledge test covering Distribution Points, Management Point communication, Application vs. Package deployments, Software Updates, Task Sequences and client troubleshooting. The result confirms her capability to work confidently with large-scale Configuration Manager environments and integrate SCCM into enterprise IT operations.
